I have lived in the shire of Gingin since 1990, and bought our first property in Muckenburra. For the past 37 odd years I have spent a lot of time driving trucks to Darwin and locally. I grew up on a farm in Buntine, so I have always felt a connection to the land and lifestyle. I love the Gingin area, but I believe we are restricted by unnecessary red tape and unnecessary local government overreach.

Every day we are seeing our rights and our freedoms being taken away from us. I for one, am sick and tired of so-called rules and regulations. It's time for our voices to be heard and that is why I will advocate for regular, ongoing dialogue to be maintained between rate payers and shire staff, starting with extending public question time at council meetings.

I want to see council support small businesses and tourism and our fishing industry and farmers.

I stand for a transparent, honest, productive and growth orientated council that wants to see our community thrive.
