I'm a Military Veteran who served 9.5 years full time service including multiple overseas deployments. Currently a farmer, volunteer fire fighter & small business owner of the Moore River Ranch & Wildlife Sanctuary. I am politically incorrect & professional, honest & compassionate.

I endeavour to lead a new generation shire that works with its electors and for them. I WILL ensure an open dialogue is maintained between rate-payers & council by promoting the opportunity for regular conversation between electors, councillors, and shire staff.

I envision a shire driven by tourism, agriculture & conservation where small business is encouraged & farmers supported. I'd like to work with a new, passionate team alongside non-career politicians who listen to the people using logic, common sense & the law to support them & implement policy based on our communities wishes, including going back to the drawing board with CHRMAP & opening real community consultation.
